WHO WE ARE

Since 2005, ETO helps you quickly learn natural real-world English. Learn over Skype with an American or British teacher, 24 hours a day, 7 days a week, 365 days a year! Classes are live with a webcam; the webcam is optional for students.

OUR TEACHERS

ETO Teachers are experienced NATIVE online teaching specialists from America & the UK, with strong business & teaching backgrounds. Teachers are certified and have an average of 5-12 years of experience.

OUR TEACHING METHOD

We focus on not just the language, but also on learning strategies, culture, communication skills & other aspects often overlooked in most other ESL programs.
